Journey Class

Almost all memorial markers in a cemetery have one thing in common: the dates of a person's life. There is a birth date and a death date; a beginning and an end. The most important part of a person's life is the part that comes between those two dates — the journey. You are on a journey. The purpose of this class is to provide a roadmap, support, companionship, traveler's tips and food for the journey you're on. Carpooling is better! Come join us! Journey Class meets in the Church Library (West side of Education Building).

Seekers Class

The Seekers Class meets in the Parlor of the Fellowship Hall. The class uses the LifeGuide Bible Study series. Lessons each week are focused on a passage of the Bible book being study. After sharing prayer concerns and celebrations, each week's class begins with prayer and a group discussion question designed to introduce the theme of the study; the Bible passage to be studied is then read aloud. A series of questions in the study guide are used to lead class members in examining the passage for meaning and application to our lives today.
